2008 Guidelines

77th Annual Robert T. McKee Student Art Exhibition

ELIGIBILITY

- Ages 5-20 and Grades K-12
- Student must be currently enrolled in a public, private, or parochial multi-subject academic school in San Joaquin County.
- **Limit of 1 artwork per student.**
- **Limit of 5 works per class.** This limit applies to a mixed class combining more than one grade level (e.g. 3rd/4th). Multi-period class teachers are restricted to 5 works per class period.
- All art work must be submitted by the student's **academic classroom teacher** or with the written authorization from the student's academic classroom teacher.
- Art work must have been completed during the current school year.

DELIVERY OF ART

- Entries will only be accepted from **authorized school personnel** (e.g. teachers, principals, aides). School personnel may provide written authorization for another individual to submit works by listing that individual's name on the inventory sheet.

INVENTORY SHEETS

- Teachers must fill out the inventory sheet completely and submit it with the art work. List each student's name and grade, and note whether their work is two-dimensional (2-D) or three-dimensional (3-D). Teachers, please provide your first and last name and school and home phone numbers.
- Please list the students' names alphabetically and if the class includes more than one grade, separate them by grade level on the same sheet.
- Multi-period class teachers need to submit a separate inventory list for each class period.
- Please **print** clearly or type.

AWARDS

- A certificate of appreciation will be given to each participant.
- A ribbon, special certificate, museum passes, and other prizes will be given to winners of three Awards of Excellence and three Docent Council Awards.
- A ribbon and certificate will go to winners of three Honorable Mentions at each grade level.

ENTRIES

- **Each art work must be labeled with the attached labels. Only the student's name and grade appear on the front of the art work. Place the label at the lower right corner of the art work as shown in the example on the label page.** This ensures that we mount the art work correctly. Please do not change the size of the label we have given you.
- **No works requiring special handling will be accepted.** No fragile or "living" (incorporating plants or animals) works; no works requiring special electrical or lighting attachments, multiple pieces, or unstable hanging devices.
- Two-dimensional works (2-D):
 - **Must be matted, mounted, or framed.** We recommend inexpensive mats that may be stapled. If framed, entries must be securely wired or equipped for hanging. **Please, no glass;** if needed, use Plexiglas or clear Mylar instead.
 - Must not exceed 24" x 36" (including mount, mat, or frame).
 - Pastels and charcoals must be sealed with a fixative.
- Three-dimensional works (3-D):
 - Must not exceed 24" in any direction or weigh more than 25 pounds.
 - Works must be stable enough for transportation to/from the museum and the installation process.

RETURN OF ART

- Works of art may be picked up only on the dates designated. **No individual art work will be released early or held after the return dates.**
- Entries & awards will be returned only to **authorized school personnel.** The teacher must provide written authorization for another individual to pick up art work.
- Any work not picked up on the designated times/dates will be disposed of at the museum's discretion. Any teachers unable to pick up the art work on the designated dates should contact Curator of Collections Kylee Denning at (209) 940-6333 or kdenning@hagginmuseum.org to make alternative arrangements.

LIABILITY

While The Haggin Museum will take reasonable care and precaution in handling the entries and will provide security for their protection during display, it is unable and will not assume responsibility for any loss, including but not limited to theft, damage, or vandalism, etc. Further, in the event of an overwhelming number of entries, the museum reserves the right to reduce the number of works hung due to limited space. Every effort will be made, however, to hang all the eligible entries received. Any entry that does not comply with the above rules will not be included in the exhibition, even if it is left at the museum with other eligible entries.
